A word from your President

Greetings, we have had a very successful month. Now that we are past the Triple Crown the real work begins. We have started our planning for the Bowhunters week-end in August and are planning our spring cleanup sometime in May. We also need to maintain both the range at Curt Gowdy as well as maintaining our own building and targets. We will once again have a 3D shoot for the Access Yes program on April 13 and 15 at 7:00pm. Please note that ALL proceeds from this shoot will be donated to the Access

Yes program. With all this work coming up we will be scheduling many work parties. Each and every one of you are urged to come on out and give us a hand. With all this

work we don't want to forget to give a big welcome to all our new members. This past month we have gained 6 new members. They are the Michael Litman family, Garin Schuler, the

John Luddington family, the Barney Jones family, Cindy Winters, and the Matt Schlagel family.

Thanks to all of you for making this club what it is.

ITS TIME: We will be starting the process of painting the range floor starting April 19 when the front half will be sanded and then painted. To allow the paint to dry the club will be closed on Thursday April 22st and Friday April 23rd.

Bow Hunters Weekend planning has started in full force remember this event would not happen if we did not have volunteers to help setup and takedown etc..... If you would like to be a part of this please contact Bob Day at 221-0950 and be part of the club.

There will be a work party to prepare the Curt Gowdy range on May 13,14,15th

Target Vandalism remember if we have to remove target 3D or other targets we have nothing to shoot at

Michael Bean was at the meeting bringing up some concerns he became aware of. As a club we welcome this and if you have a issue to bring up please let us know.

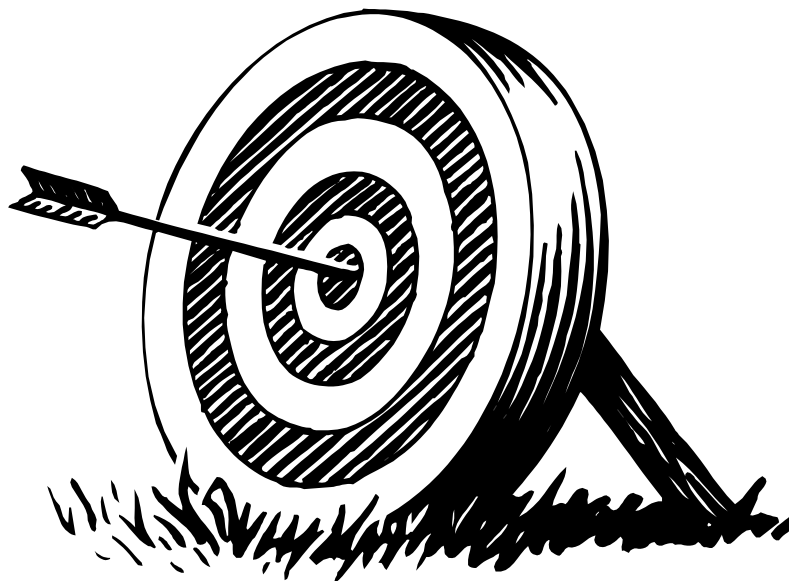

HELPFUL HINT– We know it is not cool to ask you to label all your equipment with a tag saying who this belongs to but it would be helpful if you made up a small card with you name, address and phone number and put in your bow case binocular case etc.... This might help some lost equipment find its way back home.Thanks, Bob

The bears are ready and hiding waiting for you ! Are you ready?
