Archery in the Schools

Ms. Tristanna Bickford and Mr. Jim Dawson from the Wyoming Game & Fish Department were present at the meeting. Ms. Bickford and Mr. Dawson gave us a presentation on the Archery Education Program. They shared a wealth of information about the program and answered our questions. It was agreed that we would like to assist with the Archery

Education Program and will be discussing ways to help at future meetings.

Used Targets for Sale

We have tabled the discussion to purchase the used 3-D targets from Bullseye, Laramie, until next meeting. This will give us a chance to look at the available targets during the Blue Face Tournament in Laramie on Feb 14th.

New Business

Hot Water Heater

The hot water heater in the mop room is not working. We will be checking within the club for some assistance and may need to purchase a new heater. The approximate cost for a

new heater could be around \$400–\$500. This item has been tabled until we can get a solid bid.

New Bow Press

The clubs bow press is dated and does not work with many of the newer bow models. We would like to get a new bow press that will work with more bow models, including those with parallel limbs. The approximate cost of a new bow press is around \$500. Since this item was not in the budget for 2009, we are looking for donations to go toward the purchase of a new bow press. If you have any objections, please contact a board member.

Fundraiser

A proposal was made to hold a fundraiser to raise money for the Curt Gowdy Archery Range and overall park improvements. The purpose of this proposal is to help bring rec-

ognition to the club by participating in community projects.

Tournament Planning

We continue working on the planning for the next two legs of Triple Crown and have begun planning for Bow Hunters Weekend (BHW). Discussion has started on the Championship prizes for TC. Please contact a board member if you have any comments. A work party is scheduled for Wednesday, Feb 25th @ 6pm to go through the targets and work on the foliage. The contact person for this work party is Mac Wilson @ wild.horse@bresnan.net.

We will be posting a donation form for BHW on the website soon and have appointed a T-Shirt chairman to get started on the T-Shirts for BHW. In addition, we will start work on the flyers and looking at possibly selling ball caps. We are ready to go for the Blue Face Tournament on February 15th. Hope to see you there!!

Community Profile

Check out the Traders paper under the Community Profile section, where we have posted information about our Leagues. If you think of any information that needs to get to the public about the club, please email the Secretary at tanyahide@hughes.net.

WSAA State Indoor

As you know CFA is hosting the 2009 WSAA State Indoor tournament on March 7th & 8th; therefore, we have begun preparation for this shoot and will be turning the target butts on the back wall to accommodate more shooters. A work party is scheduled for Friday, March 6th at noon. The contact person for this work party is Mike Hoover.

JOAD

JOAD will be held on Sunday, March 1st and Sunday, March 29th from 1-3 pm instead of Saturday these

New Business (Continued from pg 2)

weeks to accommodate the last two legs of TC. In addition, JOAD will be hosting a regional tournament on April 19th (more details to follow). If you have any question please contact Bruce with JOAD.

Access Yes

We will hold the Access Yes fundraiser on April 14th & 16th. Please contact Neal @ 307-286-3456 or bu-glelk@aol.com with ??s or to donate raffle prizes.

Membership Coordinator

Due to the work necessary to keep up the membership, it was moved to create a new

non-voting Board Member position, Membership Coordinator. This motion was seconded and approved by the board. This addition requires a change in the club by-laws, therefore will be voted on at the 2009 Annual Meeting. All comments are welcome, please contact a board member.

Broadhead Target

A broadhead target will be available soon for general use. Members are always welcome to bring their OWN broadhead target to shoot at the range.

Storage Bins

We will be obtaining storage bins to make it easier to store and sell the sales items.

Computer Back-up

Thank you to Stephanie Perkins for donating a thumb drive to use to back-up our club computer.

Stove Removal

The stove in the kitchen is no longer needed, so it will be removed and donated to charity to allow more room for storage in the kitchen area.

Meeting adjourned at 8:24 pm.
