A word from your President

Greetings! I would like to start by mentioning some changes we have in the Board room.

Adam Lewis is now a full time board member, and Jim

Frauendienst is our alternate. This will also be Larry's last newsletter.

Larry has taken a new job that will be keeping him busy on the road.

Thanks Larry and congratulations to the new Board

members. I would also like to welcome our two new members this month, Guy Hellander and Eric Underhill. We are now in the midst of our preparation for Bow Hunters Weekend in Au-

gust. We can use any and all help we can get. If you are interested in helping please give me a call at 221-0950. Thanks in advance.

There is one other thing I would like to mention. This is one of my favorite times of the year. Partly because we still have some summer to look forward to but mainly because the outdoor field range is now accessible at Curt Gowdy.

We try to shoot that range at least once a week and it is now at it's best condition. If you have never shot there before give it a try. You have 28 outdoor field targets only 30 minutes away from your door. This is truly one of those treasures we have by living here.
