Minutes from the May meeting were reviewed and discussed. Motion was made by Greg Wooden to accept the minutes, second by Monica Mallon.

Monthly P & L Report was presented by Board Treasurer, Monica Mallon. Report was reviewed and discussed. Net income for the month was \$-220.43. Motion to approve was made by Mat Rusk, second by Dan Conrad.

### **OLD BUSINESS:**

Latch Key Kids program – We must cancel this event. We do not have enough volunteers to safely conduct a program for the kids.

Outdoor Adventure Program will be held on July 8<sup>th</sup> and 9<sup>th</sup> at the club. It will run from 8 – 12 both days. If you are interested in volunteering, please contact Greg Wooden.

### **NEW BUSINESS:**

Mac Wilson/Bullseye Archery approached the board about purchasing 3 of our extra butts until he gets his order from the company. Shipping time is 3 months and he is trying to get a range established. He proposed buying them from us for \$300 dollars more than what he purchased his for and then he would sell them back to us for his cost when they arrive. Discussion was held and it was moved by Kent and seconded by Greg that we move ahead with his proposal. Mac wrote us a check that night.

Mac would also like to sponsor the buckle for the Championship class at Bowhunter Weekend this year. He also offered to sponsor the buckles for the Men's and women's Open Classes. His offer was accepted. Monica and Judy will start the process of ordering those buckles.

Bowhunter Weekend was discussed and items that need completed or followed up on were assigned to volunteers to complete. We need as many volunteers as we can get to pull this off. Help setting up targets, working the days or the shoot, clean up after the shoot, etc. If you are interested in helping, contact any officer or board member. We will be publishing times and dates of setup, etc. as soon as they are established. We will also be contacting the Veterans Help Foundation to provide lunch to purchase those two days. They did an excellent job last year.

Some of the targets at Curt Gowdy are in bad shape. A few of the members fixed the 30 yard target on the warm up range but #3 has fallen apart. Will discuss a plan to replace/fix others this summer.

Motion to adjourn was made by Greg Wooden, second Jim Mallon.

Adjourned at 8:08.

Respectfully Submitted,

Judy Wooden
