Note from the President

Fellow Archers,

In an effort to minimize the spread of the Corona virus, the Field Archers will be re-scheduling the third leg of Triple Crown. The new date has yet to be determined, but looks like maybe November? Stay Tuned!

With all the new members since first of January, we have had a few request for archery instruction geared for adults.

I will post a signup sheet at the club for anyone interested in improving form, and learning basic mechanics of equipment. We will see how much interest we have in all female class as well. We have equipment available for the beginner that want to try without expense of new equipment, so no excuses!

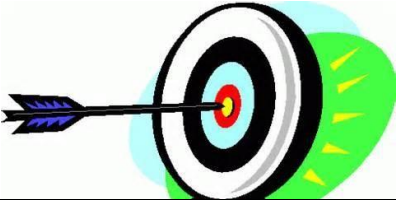

We are still doing leagues for now, but please stay home if you are not feeling well, or think you have been exposed to this corona virus.

Thanks everyone

Neal Perkins
