A word from your President

I would like to start this month's letter with a big welcome to the Donald Pack family who joined our club this last month. If you have been out to the range recently you have noticed a few changes. The biggest item is the range floor. Al, Reba, and AJ Tharp scraped the old taping off in a record three days of hard labor. Bob Graham and Al Tharp sanded for 6 hours straight. Then a crew of five rolled new paint on the floor. The painting crew was Mel Schlagel, John Wilson, Al Tharp, Bob Graham, and Bob

Day. New stripes were then painted on the floor by Jim Frauendienst, Al Tharp, and Bob Day with a lot of help from AJ Tharp. The whole project took a bit longer than expected due to

wet weather but still looks good. A super big thanks to all who were involved. The new club trailer has also arrived and is on display in front of the range. We are now in the planning stage for the

other big club projects that happen in the spring and summer. Any and all help is appreciated.
Bob
