Club Equipment

We would like to purchase a new Club Trailer to be used to haul targets and other items to shoots (i.e. Bow Hunters Weekend) and to use for registration at these shoots. In addition, we would like to purchase a new, quiet, generator to be used at these shoots. We will provide cost details in the next newsletter and then add the proposed purchases to the annual agenda to be voted on by the general membership at the annual meeting. If you have any questions please talk to a board member.
