A word from your President

My fellow Field Archers,

I hope everyone had a great bow season. It was a tough one for me, but I did manage to take a couple of antelope does with the ole Hoyt. Still have a few tags to fill, so hopefully there is more to come. If you were successful, please bring in some pics and hang up on the bragging wall.

We have some events coming up real soon. First is the "Shoot for the girls", a breast cancer awareness shoot, that is on the 26th of October at 1 pm. Then on December 7th, we have our annual traditional shoot and Swap Meet with lunch in between. Come out and support these causes and great shoots.

The club will be adopting a new set of shooting rules. Instead of taking rules from different governing bodies, we will be adopting one set of shoot rules from only one, whether it be ASA, NFAA or IBO. If you have any input on this, please get in touch with me or come to the next meeting on the 4th of November. We would really like to hear everyone's opinion on this. Take some time to look up the rules for each of these and let me hear some feedback. This will clear up some of the questions and concerns we get every year at our shoots.

As always, any concerns or great ideas for or about the club, please feel free to call me anytime, 307-631-6507. Thanks for letting me be a part of this great archery club. Dan
